Additionally or in the alternative, we seek any communications between the facility and ICE regarding requests that were denied and any actions taken in response. The timeframe for this request is January 1, 2011, until the search for these documents is conducted.

4. In addition to the records requested above, I also request records describing the processing of this request, including records sufficient to identify search terms used and locations and custodians searched and any tracking sheets used to track the processing of this request. If your agency uses FOIA questionnaires or certifications completed by individual custodians or components to determine whether they possess responsive materials or to describe how they conducted searches, I also request any such records prepared in connection with the processing of this request.

Please contact me if you need any clarification on the records requested. If you have an electronic means of providing this information that would be acceptable. If copying is required, we will pay reasonable copying costs up to \$500. If you expect copying costs to exceed that amount, please contact me first.
